

## CAN'T YOU SEE I'M WORKING

I don't need to be rescued saved or supervised  
or helped in any kind of way  
don't you try to fool me, school me, overrule me  
Don't you try it any kind of way

can't you see I'm working  
I'm working I'm working  
can't you see I'm working  
trying to do my job

still you keep on talking talking talking  
Wonder what in the world can make you stop  
Don't show me, blow me baby you don't know me  
Don't try to tell me what to do  
Don't come see me, free me or be me  
I don't know what's wrong with you

can't you see I'm working  
I'm working I'm working  
can't you see I'm working  
trying to do my job

still you keep on talking talking talking  
Nothing in the world can make you stop  
Better stop your talkin' and do some walking  
gotta stop your talking  
Be on your merry way

Walk the walk  
Don't you bother me no more  
Talk the talk  
Don't come 'round no more  
Walk an talk  
You got it all wrong  
Talk and walk  
You did'nt write this song

can't you see I'm working  
I'm working I'm working  
can't you see I'm working  
trying to do my job

Better stop your talkin'  
and do some walking  
Better stop your talkin'  
it don't make my day  
Be on your merry way  
This old cat don't stray  
can't you see I'm working  
trying to do my job
