

EVANGELINE

Sundown on the levee
Fire on the Bayou Teche
Evangeline
Has got nothing to confess

Yellow moon on the rise
Night falls as the rain comes down
I feel like I'm walking
On sacred ground
As fire turns to ashes
Before the break of dawn

B: Evangeline - Evangeline
 Has come and gone on the Mississippi Queen
 A poor boy on the bayou ain't got no friend
 Untill the boat comes in again

Night fell like diamonds
At the toll of grannies old clock
The bottle's nearly empty
And the kitchen door's stuck
She's clean out of lovers
And I'm all out of luck

B: Evangeline - Evangeline
 If I had me a mandolin
 With strings of gold
 And a song to sing
 I could make you stay
 Just one more night

Evangeline - Evangeline
Prettiest girl I've ever seen
Don't know what she's up to
Don't know where she's been
Never know where she's
going
